- Treasurers Report: The treasurer report was read by Brenda Weatherby. The motion to accept the report was made by Sheila Mackie and second by Tammy Paone. Motion carried.

New Business:

1. Major's Report:

- Drill meet is scheduled for February 23, 2008 at J.O. Johnson High School in Huntsville, AL. The fee for this meet is \$75.00 and has been paid by Major from the balance of cash left over from the ski trip.
- The Washington trip might be cancelled because the Major could not get the people to respond to his request to visit the Submarine base. The Major is looking into a trip to Pensacola, FL. for two to four days. The trip will cost \$4,000.00 for the bus. There is a possibility for a trip to Charleston, S.C.
- The Vanderbilt Drill meet is scheduled for March 29, 2008. The fee is \$220.00. A motion was made by Mark Long to approve this fee; second by David Mackie. Motion carried.
- The Major stated that he has not received his check from Prime Outlet Mall yet. He is making the necessary phone calls and the funds should be forthcoming soon.
- The Major brought up the subject that he would like to have a drill meet at Wilson Central High School on the third weekend in October. The

subject was discussed and we all agreed this would be a good idea. The cost for the Gym floor (masonite) would be around \$3,000.

- The subject of Thank You notes was brought up for the letter fundraiser. Brenda Weatherby said she would buy the Thank You notes and the postage to be reimbursed by WCNJROTC.
- Pass and Review is scheduled for April 10, 2008. Spaghetti and sauce is left over from the August 2007 new cadet and parent dinner. The dinner will be prepared and take place in the WCHS cafeteria. We will need to buy ground beef, garlic, salad, and salad dressing. We will purchase sturdy Chinette plates. Sheila Mackie will try to get Fazoli's to donate breadsticks.
- The Chief brought up the Chess Tournament or Checkers for a fundraiser. He said we probably could get fifteen or twenty dollars a head.

2. New Business

- The Major was asked by the board if he would call West Wilson Middle School about using their property for a car wash, yard sale, bake sale, cookout, car show, and 5K run on May 10, 2008. If for some reason we can't use the middle school, our plans are to use Wendy's parking lot or the senior citizens parking lot.

Old Business:

- The Major stated that the ski trip was a huge success. The cadets had a wonderful time.
- The board brought up the Decal Machine and we all decided that this would be a dead issue for now. Something we might consider at a later date.
- **Adjournment:** Motion to adjourn the meeting was made by Mark Long and second by Tammy Paone. Motion carried. Meeting adjourned.
